FIXED HEIGHT RANGE

Fixed Height Metal Plinth

Ideal for first aid rooms, as strapping tables or for general treatments and examinations allowing easy access to your patients.

Designed to keep the working area free from clutter our fixed height metal plinth is made to take the rigours of heavy duty everyday use in any practice. The backrest can be adjusted from flat to +70° enabling a comfortable semi-reclined position. Optional drawer units can be fitted for extra storage capacity.

Also available with a single section top if required.
